Here at Aldersgate Church Preschool, we believe every child is unique and worthy. We provide a loving and safe Christian environment where children can thrive. Our curriculum has been carefully developed by our staff to be age appropriate and engaging. We offer learning centers for discovery, writing readiness, and pre-reading skills as well as exploratory introductions to math and science. Music, and art will also be a big part of your preschooler's day. Young children are so naturally creative and we want to help foster their imagination and originality. Our outdoor play area offers wonderful opportunities for learning, creative play, social interactions and so much more. We plan to take full advantage of our "outdoor classroom" to

"There are no seven wonders of the world in the eyes of a child. There are seven million."

~Walt Streightiff

support and develop your child's appreciation and understanding of nature. In addition, the threes and fours will celebrate God during Chapel Time held once a week in the church sanctuary. Here the children will hear a story from the Bible and sing uplifting songs. The children love this special time that makes them feel cherished. Aldersgate Church Preschool welcomes ALL children and celebrates diversity. ACP is a wonderful place to be and we invite you to come see our classrooms, meet our staff and wander through our playground. We look forward to your visit!
